Types of Data Collection

First name, last name and email address

Purpose of Data Collection

We may process data about your use of our website. The usage data may include your IP address, geographical location, browser type and version, operating system, referral source, length of visit, page views and website navigation paths, as well as information about the timing, frequency and pattern of your service use. The source of the usage data is our analytics tracking system. This usage data may be processed for the purposes of analyzing the use of the website. The legal basis for this processing is our legitimate interests, namely monitoring and improving our website.

We may process information contained in any enquiry you submit to us regarding services. The enquiry data may be processed for the purposes of offering, marketing and selling relevant services to you. The legal basis for this processing is consent.

We use third-party tools to process the personal data as stated in the articles above. The following tools might process your personal data.

Google Analytics

Google Analytics is a web analysis service. Our use of Google includes storing usage data. Google privacy policy: <https://policies.google.com/privacy?hl=en>

Statamic

Statamic is a CMS. Our use of Statamic includes storing your name and email address, when you reach out to us to be contacted. Statamic privacy policy: <https://statamic.com/privacy>

Storing your Data

Your data is not used for automated decision making and it is not shared with others. We keep your data for 5 years following your last enquiry submission or website visit, after which it will be erased.

We take appropriate security measures to prevent unauthorized access, disclosure, modification, or unauthorized destruction of your Data. Data processing is carried out using computers and/or IT enabled tools, following organizational procedures and modes strictly related to the purposes indicated. In addition to Wadium, in some cases, your Data may be accessible to staff involved with the operation of this Website

Your Rights

Your principal rights under data protection law are:

- the right to access
- the right to rectification
- the right to erasure
- the right to restrict processing
- the right to object to processing
- the right to data portability
- the right to complain to a supervisory authority
- the right to withdraw consent.
